Directions: Pre-Survey Preparation: Complete Assignments 1 through 3 independently. As part of Assignment 4, review what you have completed thus far with your preceptor. Assignment 5 prompts you to document your plan independently for surveying Laboratory and Radiology Services during the upcoming survey. Review your plan for this survey of Laboratory and Radiology Services with your preceptor in Assignment 6.

Assignment	Answer
§416.49 Condition for Coverage (CfC): Laboratory and Radiologic Services	
Assignment 1:	Answer:
In a short paragraph, document your understanding of this requirement. Do not look at the State Operations Manual (SOM) or other reference material before answering the question. <i>Note: This is a benchmark of your current knowledge to review with your preceptor. This is not a recorded grade.</i>

Assignment	Answer
<p>Read the CfC and related standards in the SOM. Remember to look for current (dated after the last revision of Appendix L) Survey and Certification memos. Refer to the instructions in the “Helpful Links for Surveyors” document for guidance on comparing revision dates of the Tags in the SOM to issue dates of S&C memos.</p> <p>What is your understanding of this requirement now? Has your understanding changed since reading the SOM? If so, how?</p>	
Assignment 3:	Answer:
<p>Describe what you think compliance with the CfC “looks like” in the facility. In other words, describe what you would find in the facility that is in compliance.</p>

Directions Self-Assessment: Complete the self-evaluation form by filling in the New Surveyor column and give your self-evaluation to your Preceptor. Use this time with your preceptor to review your self-evaluation and to seek/provide additional feedback. Finally, identify any opportunities for further learning regarding the survey of Laboratory and Radiology Services within an ASC through a jointly developed action plan. Identify a time frame to review your progress through the action plan. At the review date, meet with your preceptor to comment on each action item and identify any follow-up items if needed. Once all action items and follow-up items are complete on the action plan, document the completion date.
